

Burton Closes Hall Care Home

Burton Closes Hall Care Home is a beautiful grade II listed building situated on the outskirts of the Peak District town of Bakewell just off the A6. Our home has fantastic country views and grounds, yet is still convenient for trips to the town centre.

We provide unique specialist care including:

- ▶ A young physical disabled suite, The Orangery, which provides 24-hour nursing care for up to seven residents aged between 18 to 65 years.
- ▶ A picturesque Elizabethan style nursing suite for the elderly which is careful to maintain the comfortable atmosphere of a family home. The suite provides 24-hour nursing care and offers single or twin en suite accommodation.

- ▶ An elderly residential and residential dementia suite which provides a secure, yet sensory, environment for our residents. The suite includes a dining room and three lounges on the ground floor as well as a small quiet lounge on both the 1st and 2nd floors.

These suites mean we can tailor our care to meet a broad spectrum of requirements. Additionally each resident or their relative or representative is asked to formulate an individual care plan with staff. This ensures we provide specialist and dedicated care for all residents. We also provide:

- ▶ Activities organisers to help residents remain stimulated and socially involved. Staff organise daily activities including regular outings to the Luncheon Club at the local Church Hall, shopping, trips to local garden centres, crafts, bingo and sing-a-longs. Activity programmes are designed to ensure each resident has their individual needs met.

- ▶ Weekly visits from a hairdresser.
- ▶ Regular, relaxing therapy sessions.
- ▶ Access to each resident's own GP, visiting chiropodist, physiotherapist and an occupational therapist ensuring continuity of care.
- ▶ Fresh food cooked daily on the premises with a choice of meals. Our chef caters for special diets and is happy to help meet all residents' needs.
