

# Longroyds and Pilling House Care Home

Care Quality Commission rating: 2 Star Good  
Contracted with Kirklees Social Services

**Longroyds and Pilling House are two beautiful 100 year old houses retaining many period features and set in large grounds with views over the surrounding countryside. The houses are conveniently situated on the fringe of Skelmanthorpe and within easy access of a variety of shops and facilities**

Both Longroyds and Pilling House have purpose built extensions. Part of the buildings have been converted into five independent flats. These flats offer a high standard of accommodation for those requiring an independent way of life with the security of 24-hours-a-day assistance if necessary.

To help provide a comfortable environment for our residents, our homes:

► Offer tastefully decorated comfortable rooms which overlook the extensive grounds. All rooms have large windows, a TV point with a nurse call system and fire detection for safety. We encourage residents to personalise their rooms with their own belongings so they feel at home.

- Offer beautiful and extensive grounds which are wheelchair accessible and are thoroughly enjoyed by residents and their families. Residents particularly enjoy the grounds in the summer months for sunbathing, barbecues and to take part in our Summer Fayre.
- Have a dedicated activities organiser to encourage all residents to be as active and occupied as possible whether they are involved with crafts, outings or if they just want to enjoy our regular entertainers.
- Have a chef who cooks fresh food daily on the premises with a choice of meals. Our chef caters for special diets and is happy to help meet all residents' needs.
- Weekly visits from a hairdresser, although alternative appointments can be made by residents on request.
- Access to each resident's own GP, visiting chiropodist, physiotherapist and an occupational therapist ensuring continuity of care.

Longroyds and Pilling House Care Home welcomes visitors at any time.
