

Mandale House Care Home

Mandale House is a purpose-built care home located in a quiet residential area in Thornaby near to the Pleasure Gardens and town centre. Mandale House is on the bus route to Middlesbrough and Stockton close to the A19, A66 and railway station.

Our home:

- Provides residential and dementia care.
- Includes 55 single bedrooms and one double room. All rooms are tastefully furnished and are complete with en suite facilities and a nurse call system. We encourage residents to personalise their rooms with their own belongings so they feel at home.
- Offers both large and small comfortable sitting rooms on each floor.

- Is set in its own grounds with mature trees and grassed areas along with a large sun terrace for residents to enjoy.

Our staff promote and provide individualised care starting with a comprehensive assessment of needs through to compiling a thorough care plan. We assess all residents before they come to our home and tailor care to each individual.

We also offer:

- Regular visits from an optician, dentist and weekly visits from our hairdresser. We also encourage each resident, where possible, to keep their own GP, district nurse,

dentist and chiroprapist and to attend the same hospital for appointments.

- A wide variety of fresh food cooked on the premises by our dedicated catering staff. We cater for special diets on request and we meet regularly with our residents to decide the menus.
- Snacks and drinks are available throughout the day.
- A dedicated activities coordinator who ensures we provide a full and varied activities programme to meet individual needs including games, arts and crafts, baking days, days out and regular visits to shops and pubs as well as reminiscence.
