

Queens Meadow Care Home

Queens Meadow Care Home is a modern, friendly purpose-built care home in the quiet residential area of Hartlepool, near to the town centre on a bus route with easy access to the A689. Our home provides:

- ▶ 43 residential care beds and a dedicated 16 bed dementia care unit. All our bedrooms are single occupancy and all are equipped with en suite facilities for privacy and a nurse call system for residents' safety. We encourage residents to personalise their rooms with their own belongings so they feel at home.
- ▶ Five individual lounges and two separate dining rooms.
- ▶ Pleasant gardens, including a secure patio area, accessed through French windows for residents and their relatives to enjoy.

Our staff promote and provide individualised care starting with a comprehensive assessment of needs through to compiling a detailed care

plan. We assess all residents before they come to our home and tailor care to each individual.

We also offer:

- ▶ A wide variety of fresh food cooked daily on the premises by our dedicated catering staff. We cater for special diets on request.
- ▶ Regular visits from an optician, dentist and weekly visits from our hairdresser. We also encourage each resident, where possible, to keep their own GP, district nurse, dentist and chiropodist and to attend the same hospital for appointments.
- ▶ Offer snacks and beverages throughout the day.
- ▶ A dedicated activities coordinator who ensures we provide a full and varied activities programme to meet individual needs including games, arts and crafts, baking days, days out and regular visits to shops and pubs as well as reminiscence.
