**Simonsfield Care Home is a purpose-built care home in a central location situated close to Runcorn shopping centre, cinema, swimming baths and theatre with easy access to a bus route.**

## **Our home offers:**

- ▶ Residential care and specialist dementia care.
- ▶ Spacious lounge and dining areas as well as a number of attractively decorated communal areas for residents and their families to enjoy.
- ▶ 63 attractively furnished bedrooms all with either a shower or bath en suite. We encourage residents to personalise their rooms with their own belongings so they feel at home.
- ▶ A large patio area for residents to relax in summer and a secluded garden for residents to grow their own fruit and vegetables.

We assess all new residents before admission to ensure we can meet their needs and develop individual care plans tailored for each individual and we regularly review care plans. Continuity of care is important for each individual and where possible we encourage residents to keep their own GP.

**Simonsfield Care Home also provides:**

- ▶ A full time activities organiser who offers activities to suit individual needs.
- ▶ A hairdressing salon with regular visits from our hairdresser.
- ▶ A bar for residents to socialise.
- ▶ A cinema room, where films are available any time of the day.
- ▶ Freshly cooked food with locally sourced produce. Our chef provides varied menus catering for special diets and tastes.
